

## **GENERAL CLIENT COMMUNICATION & MARKET COMMENTARY DISCLAIMER**

### **FOR WELLS FARGO EMEA CORPORATE & INVESTMENT BANKING (“CIB”) AND COMMERCIAL BANKING (“CB”)**

**FOR PROFESSIONAL CLIENTS & ELIGIBLE COUNTERPARTIES ONLY** – This communication has been prepared by Wells Fargo Corporate & Investment Banking and/or Commercial Banking team members within the Europe, Middle East and Africa (“EMEA”) region and this is not an independent research product produced by the Wells Fargo Research Department.

Wells Fargo & Company conducts financial services within EMEA (“Europe, Middle East and Africa”), through various companies, including duly authorized and regulated subsidiaries. The business lines which operate through the EMEA entities and branches described below, are herein referred to collectively as “Wells Fargo EMEA”.

- Wells Fargo Corporate & Investment Banking (“CIB”) and Wells Fargo Securities (“WFS”) which are the trade names for the corporate banking, capital markets, and investment banking services of Wells Fargo & Company.
- Wells Fargo Capital Finance and Wells Fargo Commercial Distribution Finance which are the trade names for certain Commercial Banking (“CB”) asset-based lending, senior-secured lending and inventory financing services of Wells Fargo & Company, and other duly authorized and regulated subsidiaries.

Wells Fargo & Company does not have offices outside of the U.S. that provide services to retail or small business customers.

In accordance with the Wells Fargo EMEA’s Standard Terms and Conditions of Business, this communication is for distribution to Eligible Counterparties and Professional Clients only, and is not intended for retail clients or any other private individuals, and must not be distributed to or relied on by persons other than the intended recipient, whom in each and every instance will be a Professional Client or Eligible Counterparty. This communication may relate to matters that are not regulated by any applicable financial services regulatory body, and not subject to protections under any relevant law including protection under any applicable financial services compensation scheme.

To the extent that this communication (and any attachments) have been prepared by Wells Fargo EMEA, it is intended for distribution solely to clients of Wells Fargo EMEA in jurisdictions where such distribution is permitted and the recipient shall not provide or distribute such materials to any person located in a jurisdiction where it would otherwise trigger a financial services licensing requirement.

Unless otherwise stated, this communication is provided for informational purposes only, is subject to change, and should not be construed as creating legal relations or as a solicitation or offer to buy or sell any securities or other financial instruments. Wells Fargo EMEA is not acting as your agent, broker, advisor or fiduciary in any respect. Nothing in this communication should be construed as investment, financial, tax, legal, accounting, regulatory or other advice. This communication is provided on a confidential basis and may not be reproduced, redistributed or disseminated, in whole or in part, without the prior written consent of Wells Fargo EMEA. It has not been prepared in

accordance with the legal requirements designed to promote the independence or objectivity of investment research and may contain or refer to confidential and/or privileged information.

Any reference contained in this communication to trading ideas, trading suggestions, market colour, economic climate, generic advice, research or other such information communicated or otherwise made available to you are provided merely for your information and are incidental to the provision of other services by us to you. This communication is not based on an assessment of your individual circumstances, nor can this be relied upon as an assessment of the suitability of a transaction for you. Nothing contained in this communication or the Materials represents an investment recommendation as defined under the Market Abuse Regulation 596/2014.

Unless otherwise stated, any pricing information provided is indicative only and does not reflect a level where Wells Fargo EMEA (as applicable) is prepared to execute a trade or constitute part of any agreement a recipient may subsequently enter into with Wells Fargo EMEA in respect of any products or services detailed herein. The price or value of an investment will depend on fluctuations in the financial markets outside of anyone's control. Past performance is no indicator of future performance and this communication is not intended to forecast or predict future events. Prior to dealing, you should determine whether any transactions described in this communication are appropriate for you given your objectives, experience, financial and operational resources, and other relevant circumstances.

This communication is prepared from information believed to be reliable, however Wells Fargo EMEA makes any representation, warranty or guarantee as to the accuracy or completeness of such information, or as to the tax consequences if any. To the extent permitted by law, Wells Fargo EMEA nor any of their affiliates, nor any directors, employees or agents of Wells Fargo EMEA or any of their affiliates accepts any liability for any loss or damage arising out of the use of all or any part of this communication.

You should assume that Wells Fargo EMEA's trading desks and/or its affiliates makes markets and/or hold positions, and may have conducted underwriting or other investment banking activities related to any of the securities or companies referenced herein. Well Fargo EMEA, its affiliates and employees, may purchase, hold (long or short) or sell positions in the underlying securities or related derivatives identified in the communication or the Materials. Wells Fargo EMEA may provide advice or loans to, or participate in the underwriting or restructuring of the obligations of, the legal entities mentioned herein. Wells Fargo EMEA maintains appropriate conflicts of interest policies in this respect.

Wells Fargo EMEA or its affiliates may submit prices, rates, estimates or values to data sources that publish indices or benchmarks which may be referenced in products or transactions discussed in this communication. Such submissions may have an impact on the level of the relevant index or benchmark and consequently on the value of the products or transactions. Wells Fargo EMEA maintains appropriate conflicts of interest policies in this respect.

Any securities described herein may not have been registered under the U.S. Securities Act of 1933, and, in such case, may not be offered or sold in the United States or to U.S. persons unless they have been registered under such Act, or except in compliance with an exemption from the registration requirements of such Act and applicable state laws. This communication should not be construed as an offer to sell or the solicitation of an offer to buy any security in any jurisdiction where such an offer or solicitation would be illegal. Any decision to purchase any product or enter into any transaction referred to in this communication should be based upon the information contained in any associated

offering document if one is available (including any risk factors or investment considerations mentioned therein) and/or the terms of any agreement.

In any instance where distribution of this communication is subject to the rules of the US Commodity Futures Trading Commission (“CFTC”), this communication constitutes an invitation to consider entering into a derivatives transaction under U.S. CFTC Regulations §§ 1.71 and 23.605, where applicable, but is not a binding offer to buy/sell any financial instrument. Any recipient that is a "Special Entity" within the meaning of 17 C.F.R. §23.401(c) is hereby notified that this communication (including any attachments) do not, are not intended to and should not be interpreted as an expression of an opinion within the meaning of 17 C.F.R. §23.440 by any person on behalf of Wells Fargo EMEA and its affiliates as to whether such Special Entity should enter into any swap or trading strategy involving a swap.
